

Harvester

The Harvester's unbleached, chemical-free 312-thread count fabric makes it the choice for those who crave a natural night's sleep. It is edged with cambric cotton piping and stitched with a simple yet elegant baffled box design. Filled with pure natural Hypodown® like our other comforters, the Harvester rests in perfect harmony with the environment.

Monarch

The Monarch is made of soft, long staple cotton sateen bordered by a satin piping that brings you warmth anywhere you need to relax. Its classic box design is baffled for consistent appearance and warmth. And its 300-thread count cotton is a gentle nest that caresses a sleeping body from dusk until dawn.

Avalon

Why should only those in snowy climes be allowed to experience the luxury of an Ogallala? When a whisper of warmth is all you need, choose the Avalon. Satin piping frames a 300-thread count fabric, sewn into a 9" box design. And only the Avalon is available with our Southernlite fill, to keep you comfortable even during balmy evenings.
